Re: Sourcing Area Application

To Whom It May Concern:

Pursuant to the Forest Resources Conservation and Shortage Relief Act, 16 U.S.C. § 620, *et seq.*, Stimson Lumber Company hereby applies for a sourcing area for its Priest River, Plummer, and St Maries, Idaho mills. Stimson is providing the following information to help facilitate processing this request:

1. A map and written description of the requested sourcing area boundary;
2. A list of other manufacturing facilities in the same general facilities as the three mills identified above.

The three Stimson mills above, which are all of the timber manufacturing facilities owned or operated by Stimson within the proposed sourcing area, are located at the following addresses:

1040 Milwaukee Rd	12 Old Priest River Rd	732 10th St
St Maries, ID 83861	Priest River, ID 83856	Plummer, ID 83851

In the past 24 months, Stimson Lumber Company has not acquired unprocessed timber originating from private land that was exported, sold, traded, exchanged, or otherwise conveyed to another person for the purpose of exporting such timber.

"I certify under penalties of 16 U.S.C. 620d and 18 U.S.C. 1001, that the information provided in support of this application, is true, complete, and accurate to the best of my knowledge concerning my timber purchasing and export patterns. I certify that the information provided concerning my timber purchasing and export patterns fully and accurately

reflects, to the best of my knowledge, the boundaries of the sourcing area for which I am applying. I make this certification with full knowledge and understanding of the export and substitution restrictions of the Forest Resources Conservation and Shortage Relief Act of 1990 (16 U.S.C. 620, et seq.) (Act) and its implementing regulations. I certify that I have not exported unprocessed timber originating from private lands within the boundaries of the sourcing area that is the subject of this application in the previous 24 months. I fully understand that, if this application is approved, exporting unprocessed private timber originating from within the approved sourcing area will be a violation of this Act (16 U.S.C. 620, et seq.) its implementing regulations, and the False Statements Act (18 U.S.C. 1001), and may subject me to the penalties and remedies provided for such violation."

Sincerely,

Andrew W. Miller
